Topical High-End New Talents, New Perspectives

Welcome to our one hour showcase and discover New and Upcoming Norwegian TV-Series.

In the current state of upending traditional models – how do Norwegian series stay fresh locally and maintain relevance in a global market?

Meet the creators behind the upcoming series; *Powerplay*, *Countrymen*, *State of Happiness s2*, *Kasko*, *Saving The Fuckin' Planet* and *Everything You Love*.

Moderator: Rania Iraki
