DATES IN REAL LIFE

Ida spends most of her social life online. When her American boyfriend Marvin, whom she's never met in person, suddenly announces he's dating someone else IRL, her world collapses.

Ida sets out on a mission to find her own physical partner, but never loses hope on getting Marvin back.

BRENDA THE TROLL

Tom (45) is a smart, but angry and frustrated man with misogynistic tendencies who discovers that the world opens up to him when he dresses in women's clothes.

He transitions from a despicable caterpillar into an outrageous trans-butterfly, and eventually blossoms into a decent man over the course of the series.

CAMMO

Cammo, just nominated to Norway's biggest influencer award, becomes bankrupt.

She loses everything and ends up being forced into a job she finds uncomfortable – as a personal assistant for Kamilla, a girl with Down's Syndrome.

This is the start of a story about keeping up appearances, facade, friendship and chromosomes.

STAYER

After a terrible accident happens, Norwegian rockstar Even Elstad is forced to return to his hometown to take care of his teenage daughter, Annie, who he has never taken responsibility for.

Stayer is a heartwarming and music-filled series about loss of love and of reconciliation, told in a unique, visual way.

IN THE NAME OF LOVE

In the Name of Love is a heartfelt comedy-drama based on the true-life story of director Bård Breien, tracing his family's journey through the 70s, 80s, and 90s, with a feminist mother and a father who pioneered a porn empire, in a society controlled by Christian morality.
